

EDU 654 Torrance Creativity Test

1. Look at the two cartoons below and write an original caption for the cartoon.

2. Word Association: Write all the words that come to your mind when you read these words:

3. Go up to the front desk and pick up the two objects. Then write down all the possible uses for Object A and then write all the possible uses for Object B:

Object A:

Object B:

4. Remote Associations: Find a word that connects all three words listed in the lines.

Example: Cotton, Bathtub, Tonic=Gin

- a. Broken, Clear, Eye=
- b. Playing, Credit, Report=
- c. Barrel, Root, Belly=
- d. Rock, Times, Steel=
- e. Sore, Shoulder, Sweat=
- f. Magic, Plush, Floor=

5. Remote Consequences: Generate a list of consequences for when and if you woke up tomorrow morning and there was no gravity.

6. Figure Concepts: Find qualities or features that are common between these two objects: a cat and fog. *Write about their common qualities.*

7. Complete each of the 3 drawings below.
