

Summit Series FAQs

How do I know if the Summits are right for me?

► **CPS Schools** (*Arts Liaisons, arts instructors, classroom teachers, Principals, administrators*) consider these questions:

- Are your students interested in an art form or discipline not currently offered at your school?
- Are you looking to gather information about arts integration and program building?
- Are you interested in learning about the different programs arts partners could offer your students?
- Are you interested in networking and/or collaborating with other teachers and administrators in the district?
- Are you interested in obtaining resources that help build partnerships?
- Are you interested in winning funding to help jumpstart an arts program at your school?

*If you answered **yes** to ANY of these questions, then the summits are right for you!*

► **Arts Partners** (*Arts organizations, independent teaching artists, executive directors, education staff, program staff, teaching artists*) consider these questions:

- Are you interested in working in Chicago Public Schools?
- Are you interested in sharing your programs with CPS Schools?
- Are you interested in meeting arts teachers and school administrators?
- Are you interested in understanding what teachers want?
- Are you interested in obtaining resources that highlight best practices for obtaining and sustaining partnerships?
- Are you interested in networking with fellow arts partners working within CPS?
- Are you interested in learning more about arts integration?

*If you answered **yes** to any of these questions, then the summits are right for you!*
