

Multi-Tiered System of Supports (MTSS)

The CPS Multi-Tiered System of Supports (MTSS) provides a framework for delivering high-quality, differentiated instruction and targeted support for all students' academic, social-emotional, and wellness needs in all school and classroom settings.

6 Critical Components of MTSS

Shared Leadership

Problem Solving Process

Curriculum & Instruction

Progress Monitoring

Family | Community Engagement

Evaluation of MTSS

Leadership at all levels is key to systemic implementation of MTSS in schools, networks, and across the district. Each level plays a critical role in support and implementation. Creating a culture and climate that supports the use of data to drive instructional decision making is critical for successful MTSS implementation.

MTSS Tiers and Problem Solving Process

Tier 3: Educators provide deep & intense supports based on individual and small group needs (few)

Tier 2: Educators provide additional, targeted academic and behavioral supports where needed **(some)**

Tier 1: Educators provide universal Instruction in the core curriculum to all students **(all students)**
